Right of Withdrawal

If you are a consumer and a statutory right of withdrawal applies to your purchase, you have the right to withdraw from this contract within **14 days without giving any reason** .

of your decision to withdraw by means of a clear statement, for example by email or letter.

You may use the Model Withdrawal Form, but you are not required to do so.

Online Withdrawal Function

Withdraw from contract

You may also exercise your right of withdrawal through the electronic withdrawal function available on my online interface at **sonia-rosa.com** .

Select:

“Withdraw from contract”

and provide or confirm the information requested to identify you and the relevant contract.

You can then submit the withdrawal by selecting:

“Confirm withdrawal.”

If you use the online withdrawal function, I will send you an acknowledgement without undue delay on a durable medium, normally by email. That acknowledgement will record the content of your withdrawal and the date and time it was received.

To meet the withdrawal deadline, it is sufficient for you to submit your withdrawal before the withdrawal period expires.

Effects of Withdrawal

If you validly withdraw from the contract, I will reimburse payments that must legally be reimbursed without undue delay and no later than 14 days after the day on which I receive your withdrawal notice.

Unless otherwise expressly agreed, reimbursement will be made using the same means of payment used for the original transaction. You will not be charged a reimbursement fee by me.

Program access affected by the withdrawal may be terminated following an effective withdrawal, including, where legally appropriate:

- community access;
- future live-session participation;
- future on-demand access; and
- unperformed VIP services.

Services Started During the Withdrawal Period

You may expressly request during checkout that I begin providing the service components of زبان تازه‌ی عشق before the end of the statutory withdrawal period.

If you make this request and later validly withdraw, you may be required to pay an appropriate amount corresponding to the proportion of services already provided up to the time you notify me of the withdrawal, where the statutory requirements for such compensation are fulfilled.

Immediate Digital Content

Certain digital content may be provided before the end of the withdrawal period.

Before such digital content is supplied immediately, you may be asked separately to:

1. expressly agree that supply begins before the withdrawal period expires; and
2. acknowledge that, where the statutory requirements are met, your withdrawal right regarding that digital content expires when supply begins.

This treatment concerns the relevant digital content and must not be interpreted as a blanket waiver of every statutory right relating to all components of زبان تازه‌ی عشق.
